Where do you think this is?

Which area of the UK do you think it is in?

Talk to your partner for 1 minute

How many places can you name in Kent?

You have 10 minutes to complete this task.

On your maps, I would like you to try and label the following places:

Dover

Whitstable

Ramsgate

Canterbury

Margate

Faversham

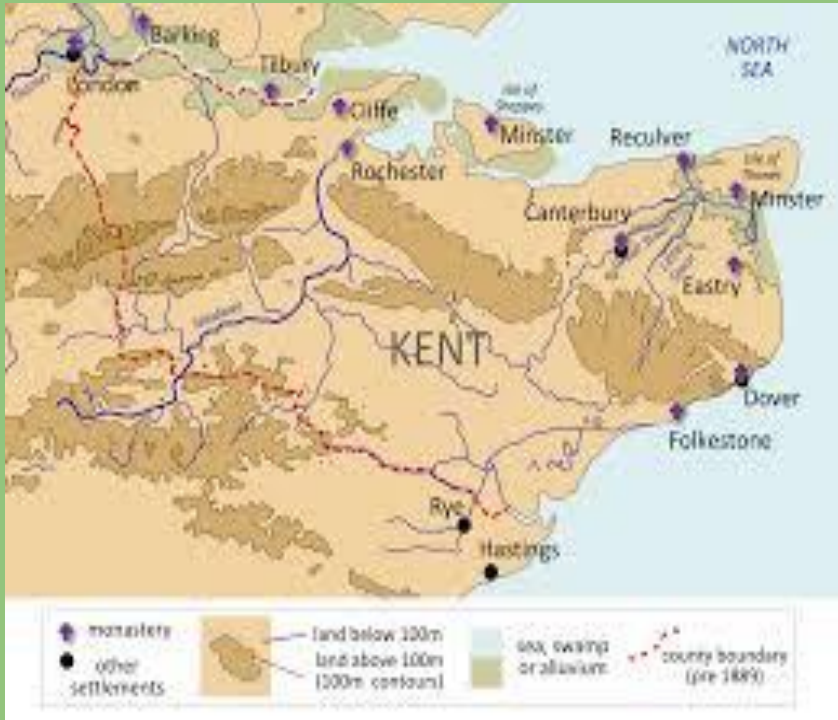

Where do you think this is a map of?

On your maps, can you shade in the United Kingdom.

Once you have done that, can you shade over using a different colour, where you think Kent is.

Finally

Now that you know where Kent is, why do you think WWI had such a significant impact on it?

Talk to your partner for one minute.

Now, write a sentence or two underneath your maps explaining why Kent changed a lot during the course of 'The Great War.'
