Tuesday 12<sup>th</sup> May 2026

Dear Families of our Year 6 Pupils,

## ***Sponsored Walk 4 Water Tuesday 19<sup>th</sup> May 2026***

The Rotary Club of Chestfield came into school to talk to Year 6 about Walking for Water and on **Tuesday 19<sup>th</sup> May** the children will participate in a sponsored 6K walk around the local area to raise funds to help make clean water normal for everyone, everywhere. They will walk for the millions of women and children who walk distances like this every day to get the water they need to survive.

**771 million people around the world – that is 1 in 10 of us – still do not have access to clean water close to home.**

Without clean water, whole communities are held back: children miss out on education, people struggle to earn a decent living, and families are often ill. For women and girls, the burden is even greater. Millions have to make difficult journeys of up to 12km every single day, just to fetch the water they and their families need to survive.

The children will need to wear outdoor PE kit and normal lunchtime arrangements will apply. Please ensure you child has a suitable coat if it rains, as we will still be carrying on with the walk. They are also encouraged to carry 6L of water with them as part of the challenge, but this is of course optional.

Children have all been given sponsor forms: all monies raised will need to be bought into the school office by Friday 12<sup>th</sup> June, thank you.

We look forward to a fun day and to making a difference. Thank you for your support.

Yours sincerely,

*The Year 6 Team*
