Dear Families of Andromeda Class

The Kent College Experience –10th February 2026

Kent College has kindly invited Whitstable Endowed pupils in Year 5 to join them for an exciting experience day. During the visit, pupils will enjoy a taste of some of the activities that Kent College senior students experience on a daily basis. These may include the School Farm, Sport, Music, Drama, Art, Business Studies, Spanish, Computer Science and Design Technology.

Kent College's school bus will collect the children from school and take them directly to the farm. While there, pupils will learn about animal husbandry and will also have the opportunity to handle some of the animals. A school lunch will be provided in the Kent College dining hall.

Please ensure that all children come to school wearing their school sports kit and bring a pair of wellies with them, ready for the farm visit.

We hope the children will thoroughly enjoy their day and benefit from everything the Kent College Experience Day has to offer.

Yours sincerely
