Dear Families of the Endowed,

New Public Facebook page – Opt-out

At The Endowed, we value sharing school information/news; our pupils' achievements and daily school life with the wider community. To support this, we will be closing our current private Facebook page and creating a **new school Facebook page that will be open to the public**. This will allow us to communicate more effectively with families and share school updates more easily.

As part of this change - latest news, dates, photographs of students may be posted on the new public page which will also be linked to our new school website. These may include images taken during lessons, school events, clubs, sports and other activities. No personal information or names will be used.

We are writing to inform you that your child's image **may be used on the new public Facebook page unless you choose to opt-out**.

If you have **already indicated 'No'** to photo permissions on your original consent form, **we will continue to respect that decision** and no further action is required. If you **do not** want your child's image to appear on the school's public Facebook page, please complete the opt-out section below and return it to the school office by Monday 9th March. You can also email homecontact@whitstable-endowed.kent.sch.uk if you want to opt-out.

If we do not receive an opt-out form from you, we will assume that you consent to the use of your child's image as described.

If you have any questions, please contact the school office by emailing homecontact@whitstable-endowed.kent.sch.uk

Thank you for your understanding and support during this transition.

Kind Regards

Ellen Taylor
