Dear Families of the Endowed,

We're excited to invite your pupils to take part in our Wildlife Photography Competition- **"Walk on the Wild Side"**, launched to celebrate Sir David Attenborough's 100th birthday.

This is a fantastic opportunity for pupils to:

- **Build confidence and creativity** through hands on photography
- **Explore local wildlife and green spaces**, however big or small
- **Connect with nature** and develop their observation skills

How it works:

Pupils can photograph any aspect of wildlife- from insects in the playground to birds in the park or pets at home. We have already had one entry of a crab at the beach! Entries can be taken on phones, tablets, or cameras- using safe online procedures as necessary.

Key details:

- Submission deadline: **Tuesday 2nd June**
- How to enter: please bring in a printed picture to Miss Chapman with your name and class on, or email to homecontact@whitstable-endowed.kent.sch.uk with the same information

Prizes:

- A variety of prizes will be on offer including art supplies

We would love for as many of the children to get involved as possible and to encourage them to discover the magic of the natural world through a lens.

Yours sincerely,

Miss Chapman

Outdoor Learning Lead
