Celebrating an Amazing Term 6!

Dear Families and Friends of The Endowed,

We've reached the end of another fantastic year at The Endowed, and it's hard to believe how quickly it's gone! Looking back, I'm incredibly proud of everything our children have achieved and experienced together.

Term 6 has been full of memorable moments, from exciting trips and workshops to Sports Day and our fantastic Year 6 residential. The children's enthusiasm, resilience and teamwork have been a joy to see.

I have also been so impressed by the kindness and generosity shown through the many fundraising events this term. Whether supporting local charities or global causes, our pupils have demonstrated what a caring and thoughtful community we are.

A special mention goes to our Year 6 pupils, who ended their time at The Endowed with a wonderful performance and Leavers' Ceremony. We are so proud of everything they have achieved and wish them every success and happiness as they begin the next chapter of their journey.

A huge thank you also goes to our staff, parents, governors and wider school community for your continued support throughout the year.

All that remains is for me to wish you all a very happy, restful and enjoyable summer holiday. I look forward to welcoming everyone back in September for another exciting year ahead.

Ellen Taylor, Headteacher

Out and About

- **Cassiopeia and Andromeda classes** enjoyed a fantastic day at Kent College, where they took part in an exciting team-building programme led by the school's Year 9s. Throughout the day, the children embraced a range of outdoor challenges designed to encourage trust, cooperation and teamwork. The experience allowed our pupils to develop new skills, build their confidence and learn from the positive encouragement and leadership shown by the Year 9s. We are incredibly grateful to Kent College and all of their leaders for making the day such an enjoyable experience.
- **Orion and Pegasus classes** visited the Whitstable Museum as part of their learning about the coast and renewable energy. They enjoyed four engaging activities exploring the Whitstable flood, the steam engine, ships and diving, bringing their classroom learning to life.

- Continuing their support of the RNLI following a successful cake sale, **Orion and Pegasus classes** enjoyed a visit to the Whitstable RNLI Lifeboat Station. They had a fantastic time learning about the incredible work of the volunteer crew and how the RNLI keeps people safe at sea. The visit also supported their geography learning about Coasts, enhancing their understanding of coastal environments.

- How exciting! With the sun shining, we took the opportunity to take some children to the harbour to see a real-life action movie being filmed. They managed to see the cameras roll and hear the call, “And... action!” Even the famous actor Javier Bardem waved to them.

Shining Moments

- **Wildlife Photography Competition.** We had some amazing entries, and judging them was incredibly difficult. However, a huge well done to everyone who entered and congratulations to our Winner Oliver and our two runner-ups Leo and Oskar.
- **Tesco Colouring Competition.** Congratulations to Maryum, winner of the Whitstable Community Tesco Colouring Competition. Maryum was presented with a goodie bag

and a crate of apples to share with her class - keep an eye out for Plumbert, Tesco's healthy eating mascot who inspires children to eat fresh fruit and veg every day.

- **Germany, Dance Showcase.** What an amazing experience for Daisy and Evie, who dance at BerZerk Dance. They proudly represented the company at a Dance Showcase in Germany alongside other dance companies from across Europe.
- **East Anglian Roller Skating Team Competition.** Well done to Miya on competing in 'Newcomer Solo Dance' she came an amazing 2nd out of 100 competitors. What a fantastic achievement Miya.

Our Born to Shine showcase was packed with incredible performances, big smiles, and lots of cheering. From amazing singers, gymnasts, musicians and Diabolo tricksters, our pupils had us clapping and singing along! Thank you for sharing your fantastic talents and making the afternoon so memorable.

Football News

The Girls' League Champions!

The girls' A team returned to Whitstable Juniors for the final of the girls' league competition. In a tight and cagey contest, it was clear that neither side wanted to give their opponents an

opportunity. The breakthrough finally came midway through the second half when Drew picked out Eliza with a crisp pass, and Eliza finished in style to give the girls a fully deserved 1 - 0 victory. A huge well done to the entire team! You have been fantastic all season, showing great commitment, teamwork and determination, and you thoroughly deserve your medals and trophy. **Mr Baker**

Well done to the Year 3 & 4 football team who represented the school brilliantly at the Herne Bay High Football Tournament. The team won two matches and narrowly lost their other two, just missing out on a place in the semi-finals. Their excellent teamwork and sportsmanship were a credit to the school. **Mr Bowles**

Learning Spotlight

- **Pegasus Coastal Erosion Experiment.** In Geography, Pegasus Class learnt about coasts and erosion. They carried out a fun investigation using biscuits to represent cliffs, while water and straws represented the sea and waves. They explored what happens when cliffs erode over time and observed the effects. It was great fun and a little bit messy!

- **Andromeda Class** have been developing their understanding of dividing by 10, 100 and 1,000 by playing Connect 4, applying their knowledge to solve calculations and challenging their classmates. They also used their desks as wipe boards to practise and explain their methods, helping to build confidence and deepen their understanding of place value.

- **Aquila Class** had great fun taking on a water filtration challenge. Using a homemade filter made from a plastic bottle and natural materials, they turned muddy water into visibly cleaner water while learning how filtration works. They also discovered that even though the water looked much cleaner, it was still not safe to drink.

- **Our Cassiopeia and Andromeda environmental scientists** enjoyed exploring Whitstable. Armed with clipboards, they carried out a litter survey, helped tidy the local area using litter picks, and searched for signs of sustainability, including recycling bins and electric vehicle charging points. The data they collected was used in class to investigate how they can all help protect our environment.

Cygnus Class had a wonderful time during their Book Buddy session with **Phoenix Class**! They loved sharing books, exploring stories together and chatting about their favourite parts. It was a lovely opportunity to build confidence and friendships.

Letting their Light Shine!

We are so proud of our Year 6s and all they have achieved during their time with us. As they move on to new adventures, we wish them the very best of luck for the future. They will be missed, and we know they will continue to shine wherever they go.

Reaching New Heights!

The residential was packed with fun, adventure and plenty of smiles. The children gave every activity a go, from archery and canoeing to crate climbing and platform balancing, plus lots more. They showed fantastic teamwork and plenty of bravery along the way. There were lots of laughs and a few wobbly moments, so many happy memories made with friends. It looked like they all had a fabulous time!

What a Performance

Wow! Year 6 absolutely smashed their end-of-year production of *Pirates of the Curry Bean*.

With a cast full of swashbuckling pirates, laugh-out-loud moments, fantastic singing and brilliant acting, the cast had the audience hooked from start to finish - it was a truly memorable celebration of their final year at the Endowed.

A huge thank you to Mr Baker, Mrs Stanley, Mrs Clements and Mr Bellingham and our families for supporting the production and for being a wonderful audience. Year 6, we are so proud of you!

Goodbye & Good Luck

We said a very fond and heartfelt goodbye at their Leavers' Ceremony at St Alphege Church. There were lots of smiles as we looked back on their time with us. Each Year 6 child was presented with a Bible, as is Endowed tradition. It was a special moment to celebrate how far they've come, share a few memories, and to wish them all the very best as they head off on their next adventure.

Well done to all the recipients of the following awards:

Avril Efford Memorial Award was presented to **Matilda** and **William M** for their personal development and for embracing the school's Christian values.

Mrs Wags Reading Award was presented to **Henry G** for his brilliant progress in reading.

Mrs Clements Resilience Award was presented to **Alice** for the resilience she has shown during her four years at The Endowed.

Thank you to our Vision Ambassadors: **Wilfred, Scarlet, James, Jessica, and Honey** for all their hard work, helping with tours, the open day, tea afternoons at church and so much more. You have been a credit to the school.

Champion Fundraisers

This term, we have been incredibly proud of our fundraising champions. From children taking the initiative to raise money for new school equipment to supporting well-known national charities, their enthusiasm and generosity have been inspiring. Our Endowed Fundraising team have also continued their amazing work, raising valuable funds for the school through the Summer Disco and the Summer Fun Day.

A huge well done to:

- **Year 6 Walk for Water Challenge.** The total amount of sponsorship raised was a staggering **£1,102.50!** A huge well done to everyone who took part and supported this fantastic cause.
- The **Year 5 Cassiopeia girls**, whose arts & crafts sale raised **£102.50** towards new basketballs for lunchtime play.

- **Year 4**, who organised a cake sale in support of the **Whitstable RNLI**, raising an amazing **£104**
- The **Year 3 Draco girls**, who held an ice cream sale in aid of **The Children's Society**, raising a fantastic **£94**.
- A special thank you to our **Endowed Fundraising Team**, whose Summer Disco and Summer Fun Day raised a fantastic total of **£1,661** for the school. This year, the team has raised over an incredible **£4,500** to enrich the children's school experience. Thanks to their hard work and the generosity of our school community, they have funded parasols for the new decking tables, Christmas class arts and crafts, contributed towards new plants and planters, contributed to Year 6 leavers' hoodies, supported the development of our outdoor learning area and purchased new play equipment.

Thank you to everyone who took part, donated and supported these wonderful fundraising efforts. Your generosity will make a real difference to both our school and the charities we have supported.

Sports Day

The children gave it their all at our annual Sports Day - running, jumping, cheering, and somehow smiling despite the blazing sunshine! It was fantastic to see so many families and friends lining the sidelines, adding to the buzz and creating such a great atmosphere - a big thank you to our staff and to Whitstable Cricket Club for helping everything run so smoothly.

Well done to all of our children for taking part and congratulations to our winning house team Rigel! As a well-deserved reward for all their hard work and determination, they enjoyed a celebratory trip to the beach - a wonderful way to round off their victory.

Sad Farewell

We will be saying a sad goodbye to two members of our staff team at the end of this academic year as they leave us for pastures new.

2 - Mrs Moody

Mrs Moody has been with us since September 2018 as a much-loved Teaching Assistant in different classes over the years and more recently in Draco Class. She has made lasting memories for our children with her kind nature, brilliant sense of humour and incredible creativity; all of the amazing crochet creations you will see around school are Mrs Moody's handiwork. She will be missed by children and staff alike and will be taking a well-deserved break for health reasons.

Mrs Usher joined us originally as one of our HTLA's in September 2025 and during her time here has got to know many of the children over the school covering classes and working with small groups of children. Since Term 5 she has been in Cygnus as Class Teacher, and we know the children have loved getting to know her. The children and staff will miss her nurturing ways, warmth and kindness and wish her the best of luck as she takes on a new teaching role at a SEN school.

Kent Test

Kent Test

For children starting secondary school in September 2027

If your child is currently in Year 5, and you intend to apply to a Kent Grammar school, register online at kent.gov.uk/kenttest

Registration opens on 1 June 2026 and closes at midnight on 1 July 2026

Who is the Kent Test for?

The Kent Test is for children who wish to apply for a Kent Grammar school place for September 2027 and are either resident in the UK or are the children of UK Service Personnel / other Crown Servants returning to the UK. A list of Kent Grammar schools can be found [here](#). Schools in Medway, Bexley and Bromley are outside the Kent Local Authority area. If you live outside Kent, please consider carefully before registering whether your child can attend the testing session in Kent, and how they would travel to school if they were offered a school place in Kent.

How do I register for the Kent Test?

Go to kent.gov.uk/kenttest and create an online account for yourself as parent/guardian. Add your child's details to your account to start the registration process. When you have completed and submitted your registration you should get a confirmation email. If you do not, the registration may not have been completed correctly. (Tip: Please check your junk/spam folder for the email before contacting us!)

What if my child has access requirements?

If your child has a disability or SEN which will affect their access to testing, you should discuss this with their primary school before registering them, as the school will need to apply for any necessary access arrangements. Requests will not be accepted after 1 July 2026.

What happens after I register?

If your child attends a school outside Kent, we will email you details of their test centre by the end of August. Let us know if after registration you move house, change your email address or your child changes primary school. Otherwise, their test papers may go to the wrong place, or you may not get their results.

How do I apply for a Kent Grammar school?

You apply by naming the school as a preference on your Local Authority's secondary application form.

If my child is assessed suitable for grammar school by the Kent Test, will I automatically be offered a grammar school place?

No, a Kent Grammar school assessment does not guarantee your child a place in a Kent Grammar school.

Grammar schools are often oversubscribed, meaning more children apply than the school has room for. Oversubscribed schools use their admission criteria to rank applicants in priority order, so it's important to check the admission criteria for schools you are interested in. A Kent Grammar school can only consider your child for a place if you have named it on your application and your child has been tested and assessed suitable for admission.

If your child is not offered a place at the school, you can appeal to an Independent Appeal Panel and may be able to add them to the school's waiting list.

Key dates

Monday 1 June 2026	Registration opens at kent.gov.uk/kenttest . You will receive a confirmation email when registration is complete.
Wednesday 1 July 2026	Registration closes at midnight. If your child attends a school outside Kent, you will receive an email by the end of August with your Allocated Test Centre.
Thursday 10 September 2026	Children who attend a Kent primary school sit the test in their school.
Saturday 12 September 2026 / Sunday 13 September 2026	Children who attend primary schools outside Kent or are Educated at Home sit the test in a Test Centre.
Thursday 15 October 2026	Kent Test Decisions emails are sent after 4pm to the email address used to register the child.

Need help?

Further information about the test and about transport to grammar school for low-income families can be found on our website at kent.gov.uk. If your child is outside the age range for the test, or cannot take the test on a Saturday please email kent.admissions@kent.gov.uk.

For help registering please email kentonlineadmissions@kent.gov.uk. Only one registration per pupil will be accepted. If you apply online, do not complete any other form of registration. Keep your login details safe and use the email address you registered from for all communication with the team.

HOW TO MEASURE YOUR CHILD

HEIGHT: Without shoes, with the back against the wall place feet together flat on the floor. Measure from the top of the head to the ground.

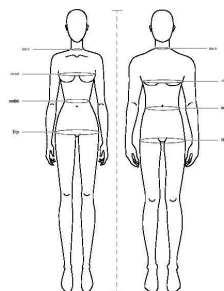

NECK: Measure around the base of the neck where the shirt collar would normally sit. Leave a little room for comfort.

CHEST: Measure the chest at the fullest part placing the tape close up under the arms.

WAIST: Measure around the natural waistline, at the narrowest part. Leave a little extra room for comfort.

HIPS: Standing straight, with heels together, measure around the fullest part.

INSIDE LEG: In bare feet take the measurement from the top of the inside leg to on or just below your ankle joint, where the trousers would naturally finish.

GARMENT CARE

Always refer to your garment care label to ensure your garment looks just as good as the day you bought it.

Remember to also wash and dry your garments inside out, fasten any buttons and don't overload your machine.

We also recommend ironing your garments inside out on a cool setting to avoid heat damage.

Exciting Summer Improvements

New Decking

Over the summer holidays, we are delighted to be making some exciting improvements to our outdoor environment. Our old decking will be replaced with a brand-new decking area, creating a safer, more inviting space for everyone to enjoy.

Outdoor Learning Area

Miss Chapman is very excited to be developing our brand-new Outdoor Learning Area, giving our children even more opportunities to explore, discover and learn beyond the classroom. This exciting new space will support a wide range of activities, from storytelling and creative play to science investigations and collaborative learning.

We can't wait to welcome the children back in September to enjoy these fantastic new additions and make the most of our enhanced outdoor spaces.

Stay Connected, Stay Informed

We encourage all parents to regularly check the website, follow our Facebook page, and keep an eye on My Child At School to stay connected with everything happening in school.

Free Summer Support for Staff and Students

Dear Darlene

The summer holidays are fast approaching and while for many this can be an opportunity for rest, relaxation and well-earned holiday, for others it may be a time of worry or concern.

That's why looking after the mental health of your staff and students over the summer matters.

Staff Care Services are pleased to offer FREE access to our **Support Line** service throughout the summer months - June, July and August - when you sign up as a new customer.
