Friday 8th October 2026

Dear Families of Alligator and Kangaroo class,

Year 6 Visit to Kent College – Mobile Planetarium on Thursday 15th October 2026

Kent College has kindly invited our Year 6 pupils to join them for a special space-themed experience in the afternoon of **Thursday 15th October**.

Kent College will be hosting a mobile planetarium, which will be set up for the children to experience an exciting journey through space. The children will have the opportunity to explore stars, planets and galaxies through this immersive experience. The aim of the visit is to help pupils learn more about space in a fun and engaging way.

The children will travel to and from Kent College by minibus in the afternoon, with the minibuses collecting them from school and returning them to school after the visit.

We hope the children will really enjoy this exciting experience and have the opportunity to develop their knowledge and curiosity about space.

Yours sincerely,

Miss Catton
