Dear Year 6 Families,

In support of the National Year of Reading 2026, Her Majesty Queen Camilla wanted to give children a personal gift at the end of the year to help inspire a love of reading.

As Katherine Rundell is one of Her Majesty's favourite authors, the National Literacy Trust, with her Majesty as it's Patron, has come together with the publisher, Bloomsbury, to build this initiative so that every child in the UK turning 11 this academic year will be gifted a special edition for free of the award-winning children's book *Impossible Creatures.*

"Impossible Creatures, by one of my favourite writers, is a brilliant fantasy that will introduce you to a host of mythical friends and terrifying enemies…and I hope that you will love it as much as I do."
Her Majesty The Queen, Patron of the National Literacy Trust

Our Year 6 children have all been gifted a copy of the book and will be bringing one home with them.

Kind regards,

Ellen Taylor
